

2017 COMPOST SCHEDULE

The City Compost is a public service for Sikeston residents to provide a place to discard garden and yard waste. Tires are also being taken during regular compost dates. We have set a limit of 8 tires per compost day and that they should be no larger than 18 inches and off the rim.

Residents enter the front gate and check in with a Public Works Employee. Proof of residency (Drivers License) must be provided at this time. The resident will then be directed to a designated area for the items to be discarded. Unloading is the responsibility of the resident. If plastic bags are used, the bags must be emptied then discarded in the available dumpsters as they exit the Compost site.

Location:

Compress Road (1 block West of Northwest St.)
Sikeston, MO
