

13.04.030 Containers—Use of—Required. A.) The occupant of every dwelling unit and of every institutional, commercial or business, industrial or agricultural establishment shall place all solid waste to be collected in proper solid waste containers and the area surrounding them shall be maintained in a clean, neat and sanitary condition at all times. B.) Garbage and solid waste to be removed at each collection site shall be limited to the contents of two (2) containers herein described, and no more than five (5) plastic bags as herein described (or any combination thereof), together with any container provided by the CONTRACTOR to any dwelling unit.

13.04.040 Containers—Requirements. Storage of any waste between collections shall be the responsibility of the occupant of the premises, and said occupant shall likewise have the responsibility of making said waste available and accessible, either in alley or at curbside, for collection; with the following requirements and restrictions;

- a. Containers shall be designed for the purpose of waste containment and constructed of galvanized metal, rubber, fiberglass or non-brittle polypropylene which containers shall have tight fitting lids of the same or like material.
- b. In containers not exceeding forty (40) gallons or seventy five (75) pounds loaded gross weight and having handles, bails or other appropriate lifting devices and which shall be leak-proof.
- c. No yard waste (i.e. tree limbs, clippings or grass) will be removed.
- d. Plastic bags: In tied or sealed plastic bags manufactured for solid waste containment which do not exceed fifty (50) pounds in weight and do not leak.

13.04.050 Containers—Storage of. Residential solid waste containers shall be stored upon the residential premises. Commercial solid waste containers shall be stored upon private property unless the owner has been granted written permission from the city to use public property for such purposes. The storage site shall be well drained and fully accessible to collection equipment, public health personnel and fire inspection personnel.

13.04.060 Containers—Placement of. Solid waste containers as required by this chapter for the storage of residential solid waste shall be placed at the curb or alley for collection. Any solid waste containers or other solid waste permitted by this chapter to be placed at the curb or alley for collection shall not be so placed until the regularly scheduled collection day, and empty containers shall not be permitted to remain on the street after they are emptied by the collector.
